62 HEAD OF OUTSTANDING SHORTHORNS SELL

10 SERVICE AGE BULLS

14 BRED COWS

14 COWS WITH CALVES AND REBRED

10 FANCY OPEN HEIFERS

STANDARD GUARANTEE
(Recommended by American Shorthorn Association)

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

- SALE MANAGER'S MESSAGE -

The Lawon Shorthorns are raised in the Flint Hills of Wabaunsee County without any special care. Mr. and Mrs. Lawson realize the importance of good quality to maintain an outstanding herd of registered cattle. The background of this herd goes back to Mrs. Lawson's parents, Mr. and Mrs. E. L. Knapp, Maple Hill, who were originally from LaSalle County, Illinois. Mr. and Mrs. Lawson started their herd with six heifers they bought in the fall of 1945. Years of experienced breeding is in this herd.

Recent sires that left a very impressive group of foundation stock in this herd were Northwood Courtesy and Keynote Navigator. Courtesy was a grandson of Bapton Constructor and his dam was the imported \$10,000 Cruggleton Purvis. The Lawsons are offering for sale one-third interest (semen rights only) in Northwood Courtesy.

In 1965, they purchased Keynote Navigator, a young calf at that time, from Penn. State. This calf was sold at auction with Penn. State reserving show rights. Keynote Navigator was Junior and Grand Champion at Eastern National; Junior and Reserve Grand Champion at Chicago International; Junior Champion at Pennsylvania National and an All-American. He is by Tuscarora Keynote and will weigh nearly a ton now in pasture condition. The young calves selling in this sale are by him.

These cattle are the modern type, with plenty of length, thickness and pounds.

You may see these cattle at the farm prior to sale day. Plan to attend the sale. The Lawson farm is located approximately 23 miles west of Topeka on I-70 and 3 miles south at Keene Exit.

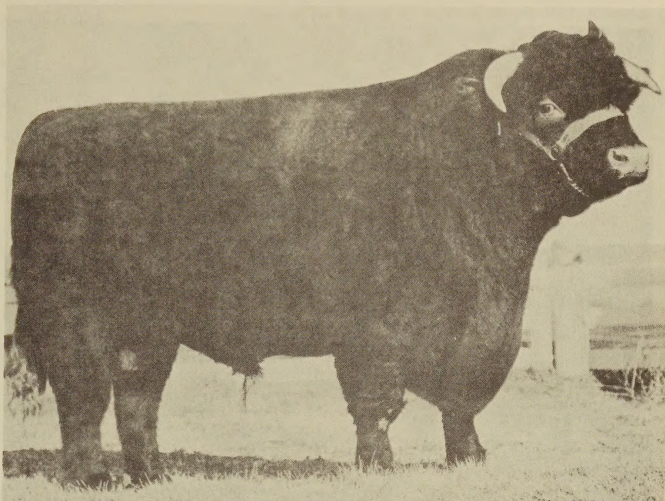

Milton H. Nagely, sale manager.
